

## How to attend or join Sedbergh Shooting Club

If you wish to join, we always recommend coming up as a guest first with two of the committee members so you can see how we operate at SSC. To do this we will simply require a completed copy of the Guest Questionnaire that can be found alongside this file on the website.

Completed Paperwork required to visit as a guest:

**1 x Guest Questionnaire**

Once you've had your first visit and you decide that you want to go ahead with joining. You can then complete and return the rest of the paperwork to the Secretary. They will then begin the joining process and the probationary period will commence.

Completed Paperwork required to join the Club as a probationary member:

**1 x Club Application Form**

**1x Firearms Register (If Applicable)**

**2x Membership References**

**1x Firearms Act 1968 Sect21**

**1x Theory Written Test (Can be completed by Studying the Training Schedule)**
